

**Federal Tax Issues Commentary**  
**Anthony Curatola**  
**October 10, 2014**

This session is intended to:

1. Highlight some expiring provisions
2. Present the inflation adjusted provisions applicable to individual taxpayers
3. Present some of the pressing federal income tax issues facing individuals as the 2014 tax season draws to an end
4. Discuss some last minute tax planning measures and some tax provisions likely to be on the legislative horizon.
