---

Dan provides consultations to individuals interested in exploring working for themselves. He helps his clients to achieve their dreams, such as:

- Financial independence
- Career satisfaction
- Work-life stability

He has been involved in advising small business owners and managers for more than 25 years. He has helped thousands of business people realize their dreams of business ownership and controlling their own destiny. Dan has owned several businesses himself during his career. He is presently a consultant with The Entrepreneur Option, and an Area Representative and franchisee with Always Best Care Senior Care.
