Flipboard: <http://flip.it/13g10>

Paul Van Siclen previously worked for Qlik customer CIT Group where he successfully led the implementation of a Qlik solutions \$5.0 billion (USD) Financial Services division. The solution enjoyed typical Qlik success in consolidating 13 disparate systems, was used across the globe, and was delivered in months.

He has over 20 years of Banking and Finance industry experiencing supporting a variety of product types such as Auto Dealer Finance, Credit Card, Railcar Leasing and Mortgage. His experience spans support groups including Financial Planning and Analysis, Pricing, Treasury Accounting, Regulatory & SEC Reporting, General Accounting, and Internal Audit.

Specialties/Expertise:

- Financial leadership
- Business intelligence & analytics
- Operational efficiencies
- Strengthening internal controls
- Data modeling

Prior to his role in Business Intelligence, Van Siclen served as CFO for the Technology and Office Products division of Vendor Finance, US. He came to CIT from Bank of America's Dealer Financial Services where he introduced price optimization and business intelligence methods. Formerly, he was Controller of Bombardier Capital Railcar Financing division.

Van Siclen holds a Masters of Business Administration from the University of Florida, a Bachelor of Science degree in Accounting from Jacksonville University, and is a Certified Public Accountant (inactive). In addition, he is certified as a Six Sigma Green Belt.
